Memo

Provisions
~~Accrual~~ of Rs 1197 and 229 ~~were~~ were entered ~~provided~~ in the current year's Municipal Budget of Holalkere respectively as on the scale of receipt as grant-in-aid (being moiety of expenditure on Sanitary works) and as a loan from Sanitary budget ~~which should be treated as grant-in-aid~~ and as loan, and of Rs 199 on the scale of expenditure, on account of the first instalment towards the repayment of the loan to be advanced from the Sanitary budget. In para 8 of Pro cto 204·208 / L.F 136·95 dated 6 July 1896, it was observed that under the standing orders, the grant-in-aid should be equal to the loan and explanation ~~was~~ called for as to how the sum of Rs 1197 was expected as grant-in-aid, while the loan expected from the Sanitary budget was only Rs 229, or 968 less than grant-in-aid.

Serial cto 2 in L.F 136/95.

(2) In para 4 of his letter cto 55/49 dated 16 July 1896, the

Serial cto 3 in L.F do

Coms explained that during the
years 1893 94 and 1894-95
a sum of Rs 968 was shown
both on the side of receipts and expenditure
under "X (b) Loans" and "VIII P.W.
Other works" and the balance
Rs 229 was therefore shown
as loan in the budget for
1896-97; and that the loans
expected were in accordance
with Chief Engineer's Memo etc 1599/296 dated 30th March 1894. etc this
memo only communicated sanction
accorded to a project for opening
out roads and drains in the
town of Kolaltkere at a cost of
Rs 2395 with an observation
that full allotment would be
made for the work in the
final sanitary budget and
made no mention of any portion
of the cost being treated as a loan,
the Dy Coms was requested
to explain how much was
actually spent during each of
the first three years and,
when it was incurred it was treated
as to the municipal
loan

(3) The Dy Comr accordingly states that Rs 2111-15-5. was spent during the past 3 years as shewn below,—

(1)	1893-94 ...	Rs 345-14-3
(2)	1894-95 ...	1589-12-9
(3)	1895-96 ...	176-4-5

~~and~~ that the balance, ~~Rs 1897-8~~ will be spent during the current year; and that Rs 1197-8-0 was sanctioned as a loan by Govt in Pro etc $\frac{564-87}{3187-3210}$ dt 28/6/95 to the Municipality

(4) The order of 28/6/9 issued in the D.P.W has not been communicated to the offt & copy has been obtained & submitted herewith - From the it would appear that Rs 346 was spent in Kolaltere during 1893-9 and that a moiety thereof was treated as a repayable loan 4 per cent interest. (To avoid delay in the despatch of papers in the Chief Engineer be asked to communicate to this office all the

sanctions of loans to municipalities)

(5) Probably the actual expenditure incurred in the two following years was likewise treated as loan and grant-in-aid in equal proportions. The balance remaining to be spent during the current year, viz Rs 283 should appear on the side of expenditure as the provision for sanitary works and a like sum on the side of receipt under "Loans and" "Grant in aid in equal proportions. Also the necessary alterations be made in the budget and communicated to the Dy Coms, Comptroller and Chief Engineer

(2) I Octroi **Receipts** The increase under this head is chiefly in (a) Cocoanuts fresh, (c) Betel leaves and (e) Jaggory in the Municipality of Chetaldeng and

2/ is based upon the probable collections of 1895-96. The estimate is passed.

Mohatarfa (a) Shop tax

1895-96	1896-97	
~~2000~~ 1700	~~2000~~ 2000	Increase Rs 300

(3) VII Mohatarfa (a) Shop tax A large increase expected under this head in the Budget of Davangere is explained to be due to the ~~increase of the number of shops~~ flourishing state of the commerce in the town. The estimate is sanctioned.

(4) VII Mohatarfa (d) Cart tax The removal of exemption for taxation enjoyed by carts maintained by agriculturalists directed in Govt Pro dated 25-7-21 No 24641-50 P.W. 245-7-21, accounts for the increase under this head in the several municipalities in the District. The estimates are approved.

(5) VII Rents The diminished estimate under "(c) Markets" ~~from~~ in the Budget of Chitaldrug is justified by the actuals of 1894-95. But it should be explained

explained why there has been a falling off of revenue under this head. Pending information the estimate will stand.

(6) X Miscellaneous, Sale of lands. A large sum of Rs 2500 was ~~an~~ expected from the sale of building sites in the extension of the Davengere, while in the ~~ensuing~~ current year only Rs 1500 is expected from this source. Hence the decrease in the estimate under this head, which is allowed 95.96

(7) X Miscellaneous (b) Loans. In the Budgets of Harihar and Holalkere. Rs 970 and 229 are respectively estimated ~~from~~ under this head on account of moneys of expenditure to be recovered by the Sanitary Dept on filling up pits and executing other sanitary improvements, which will be treated as loans to the municipalities concerned. The ~~loan~~ sum ~~estimated~~ estimated for

Board

Harchar is a part of the sanctioned loan of Rs 1720·, to be advanced during 1896-97. The authority for the loan of Kolalkere should be quoted. Pending information the estimate will stand.

(8) XII Grants-in-aid.

Estimates of Rs 970 and 1197 are respectively entered in the Budgets of Harchar and Kolalkere respectively, as matter of expenditure on Sanitary works, which would be treated as grants-in-aid under Govt Pro, in the P.W. Deptt dated 6th May 1893 c/o 1925-29 / 320-220. As the grant-in-aid should, under the standing orders, be equal to the loan, it should be explained from what ~~is~~ how Rs 1197 is expected under this head in Kolalkere during the year viz. ℓ

Budget is only Rs 229. Pending explanation, the estimate will stand.

Expenditure

(9) III Collection Provision is newly made under this head in the Budget of Daurengeri on account of the salary and contingencies of the Mukaddam sanctioned ~~appointed~~ for the collection of octroi duty in Govt Pro dated 8th November 95 No 5579-80 / 7730-94. This accounts for the increase in the estimate which is sanctioned.

(10) IV Conservancy. The variations provided in the estimates under this head are as noted in the margin. All but the new item of Rs 36 on account of the purchase of baskets &c in Chitaldrug town have already been sanctioned. RECEIPTS.

2. *I. Octroi.*—The increase under this head is chiefly in (*a*) cocoanuts, fresh, (*c*) betel-leaves and (*e*) jaggory in the municipality of Chitaldurg and is based upon the probable collections of 1895-96. The estimate is passed.

3. *VII. Mohatarfa (a) Shop tax.*—A large increase expected under this head in the budget of Davangere is explained to be due to the flourishing state of commerce in the town. The estimate is sanctioned.

Mohatarfa (*a*) Shop tax:		
1895-96.	1896-97.	Increase.
Rs 1,700	Rs. 2,000	Rs. 300

4. *VII. Mohatarfa (d) Cart tax.*—The removal of the exemption from taxation enjoyed by carts maintained by agriculturists, directed in Government Proceedings, dated 25th June 1895, No. 24641-50—R F. 245-92, accounts for the increase under this head in the several municipalities in the district. The estimates are approved.

5. *VIII. Rents.*—The diminished estimate under (*c*) "Markets" in the budget of Chitaldrug is justified by the actuals of 1894-95. But it should be explained why there has been a falling off of revenue under this head. Pending information, the estimate will stand.

6. *X. Miscellaneous (a) Sale of Lands*—A large sum of Rs 2,500 was estimated for the year 1895-96 from the sale of building sites in the extension of Davangere, while in the current year only Rs. 1,500 is expected from this source. Hence the decrease in the estimate under this head, which is allowed.

7. *X. Miscellaneous (b) Loans*—In the budgets of Harihar and Holalkere Rs. 970 and 229 respectively are estimated under this head on account of moieties of expenditure to be incurred by the Sanitary Department in filling up pits and executing other sanitary improvements, which will be treated as loans to the municipalities concerned. As the grant-in-aid should, under the standing orders, be equal to the loan, it should be explained how a sum of Rs. 1,197 is expected under this head in Holalkere during the year while the loan expected from the Sanitary budget is only Rs. 229. To
The Secretary to the
Government of Ceylon
General and Revenue Departments.

Sir, I have the honour to acknowledge receipt of the Proceedings of Government No. 204-208 dated 2.7.96-95 6th Instant, sanctioning the current year's Budget Estimates of the several Municipalities in this District and to submit the following explanation on the various points raised therein.

2. Para 5. The revenue from VIII (c) markets is a fluctuating one depending entirely upon the gathering of traders on each market day. The collection of rent is however conducted under fixed fees

No definite reason can therefore assigned for the decrease under this item.

3. Para 7. The loan expected for Hospitals on account of Sanitary improvements is in accordance with the Sanction Conveyed in Memo No. 1599/296 dated 30th March 1894 in the Public Works Department.

4. Para 8. The loan expected from the Sanitary Budget should no doubt be equal to the Amount entered under Grant-in-aid but of this, a Sum of Rs. 968 has, during the years 1893-94 and 1894-95 been shown both under receipts and expenditure under IX(b) 'Loans' and VIII (K) "Other works original". Thus the balance to be now provided for under loans during the Current year was only Rs. 229. The other half sanctioned as Grant-in-aid was altogether left

left out of account in previous years and therefore the same was fully provided in the current years budget. Hence the Variance.

5. Para 12. The provisions retained for furniture in the budgets of the marginally noted Municipalities were found indispensable because they were needed to clear the quota payable towards the expenses as well as the purchase of a few articles of furniture ordered in the previous years, the cost of which was not likely to be adjusted before the close of that year. Hence the repetition.
